# Temperature Viewer

- Comparison between SI7021 and DHT11.
- SI7021 sensor with panStamp.
- Android application to view real time panStamp system on chip temperature.
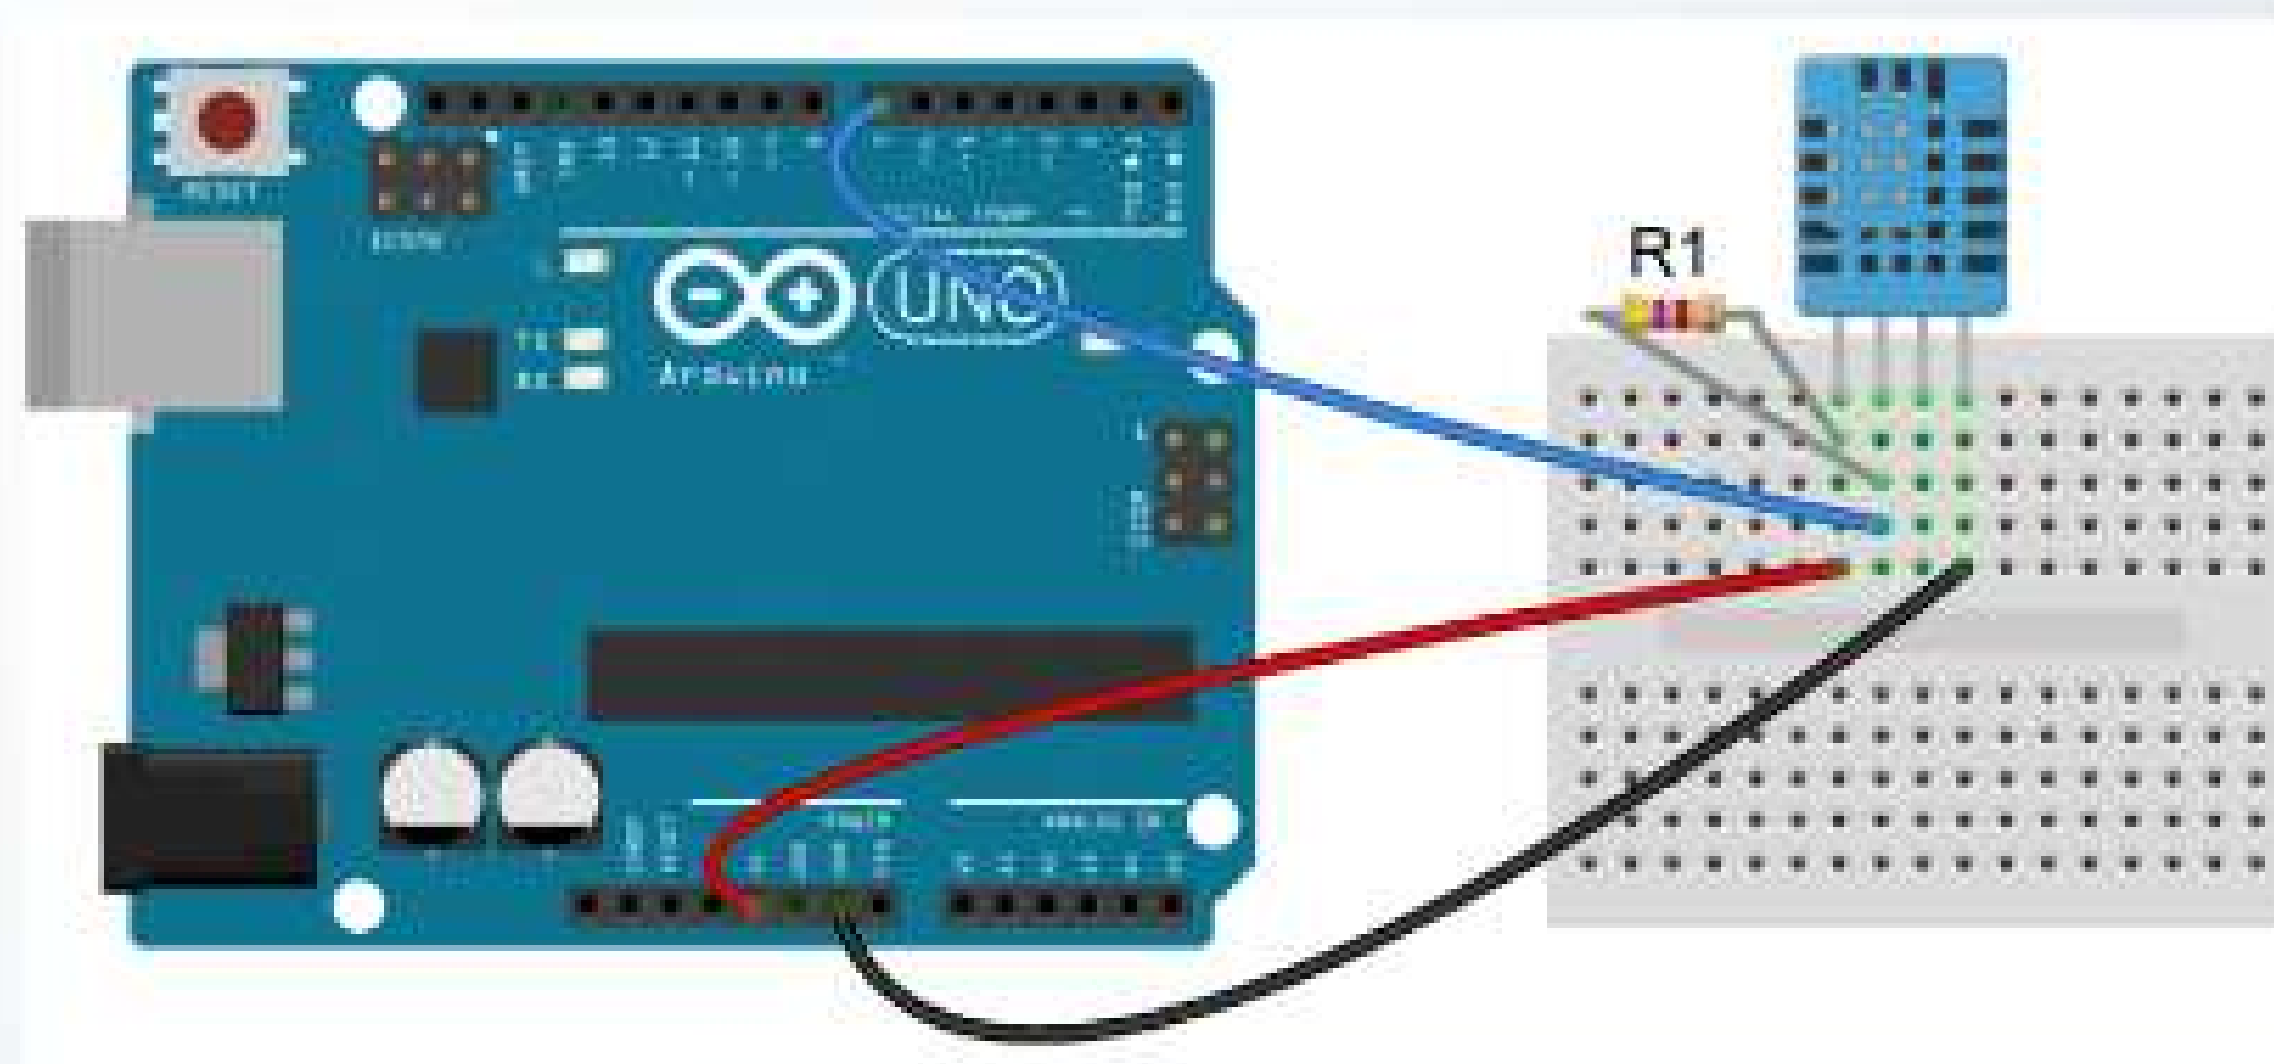

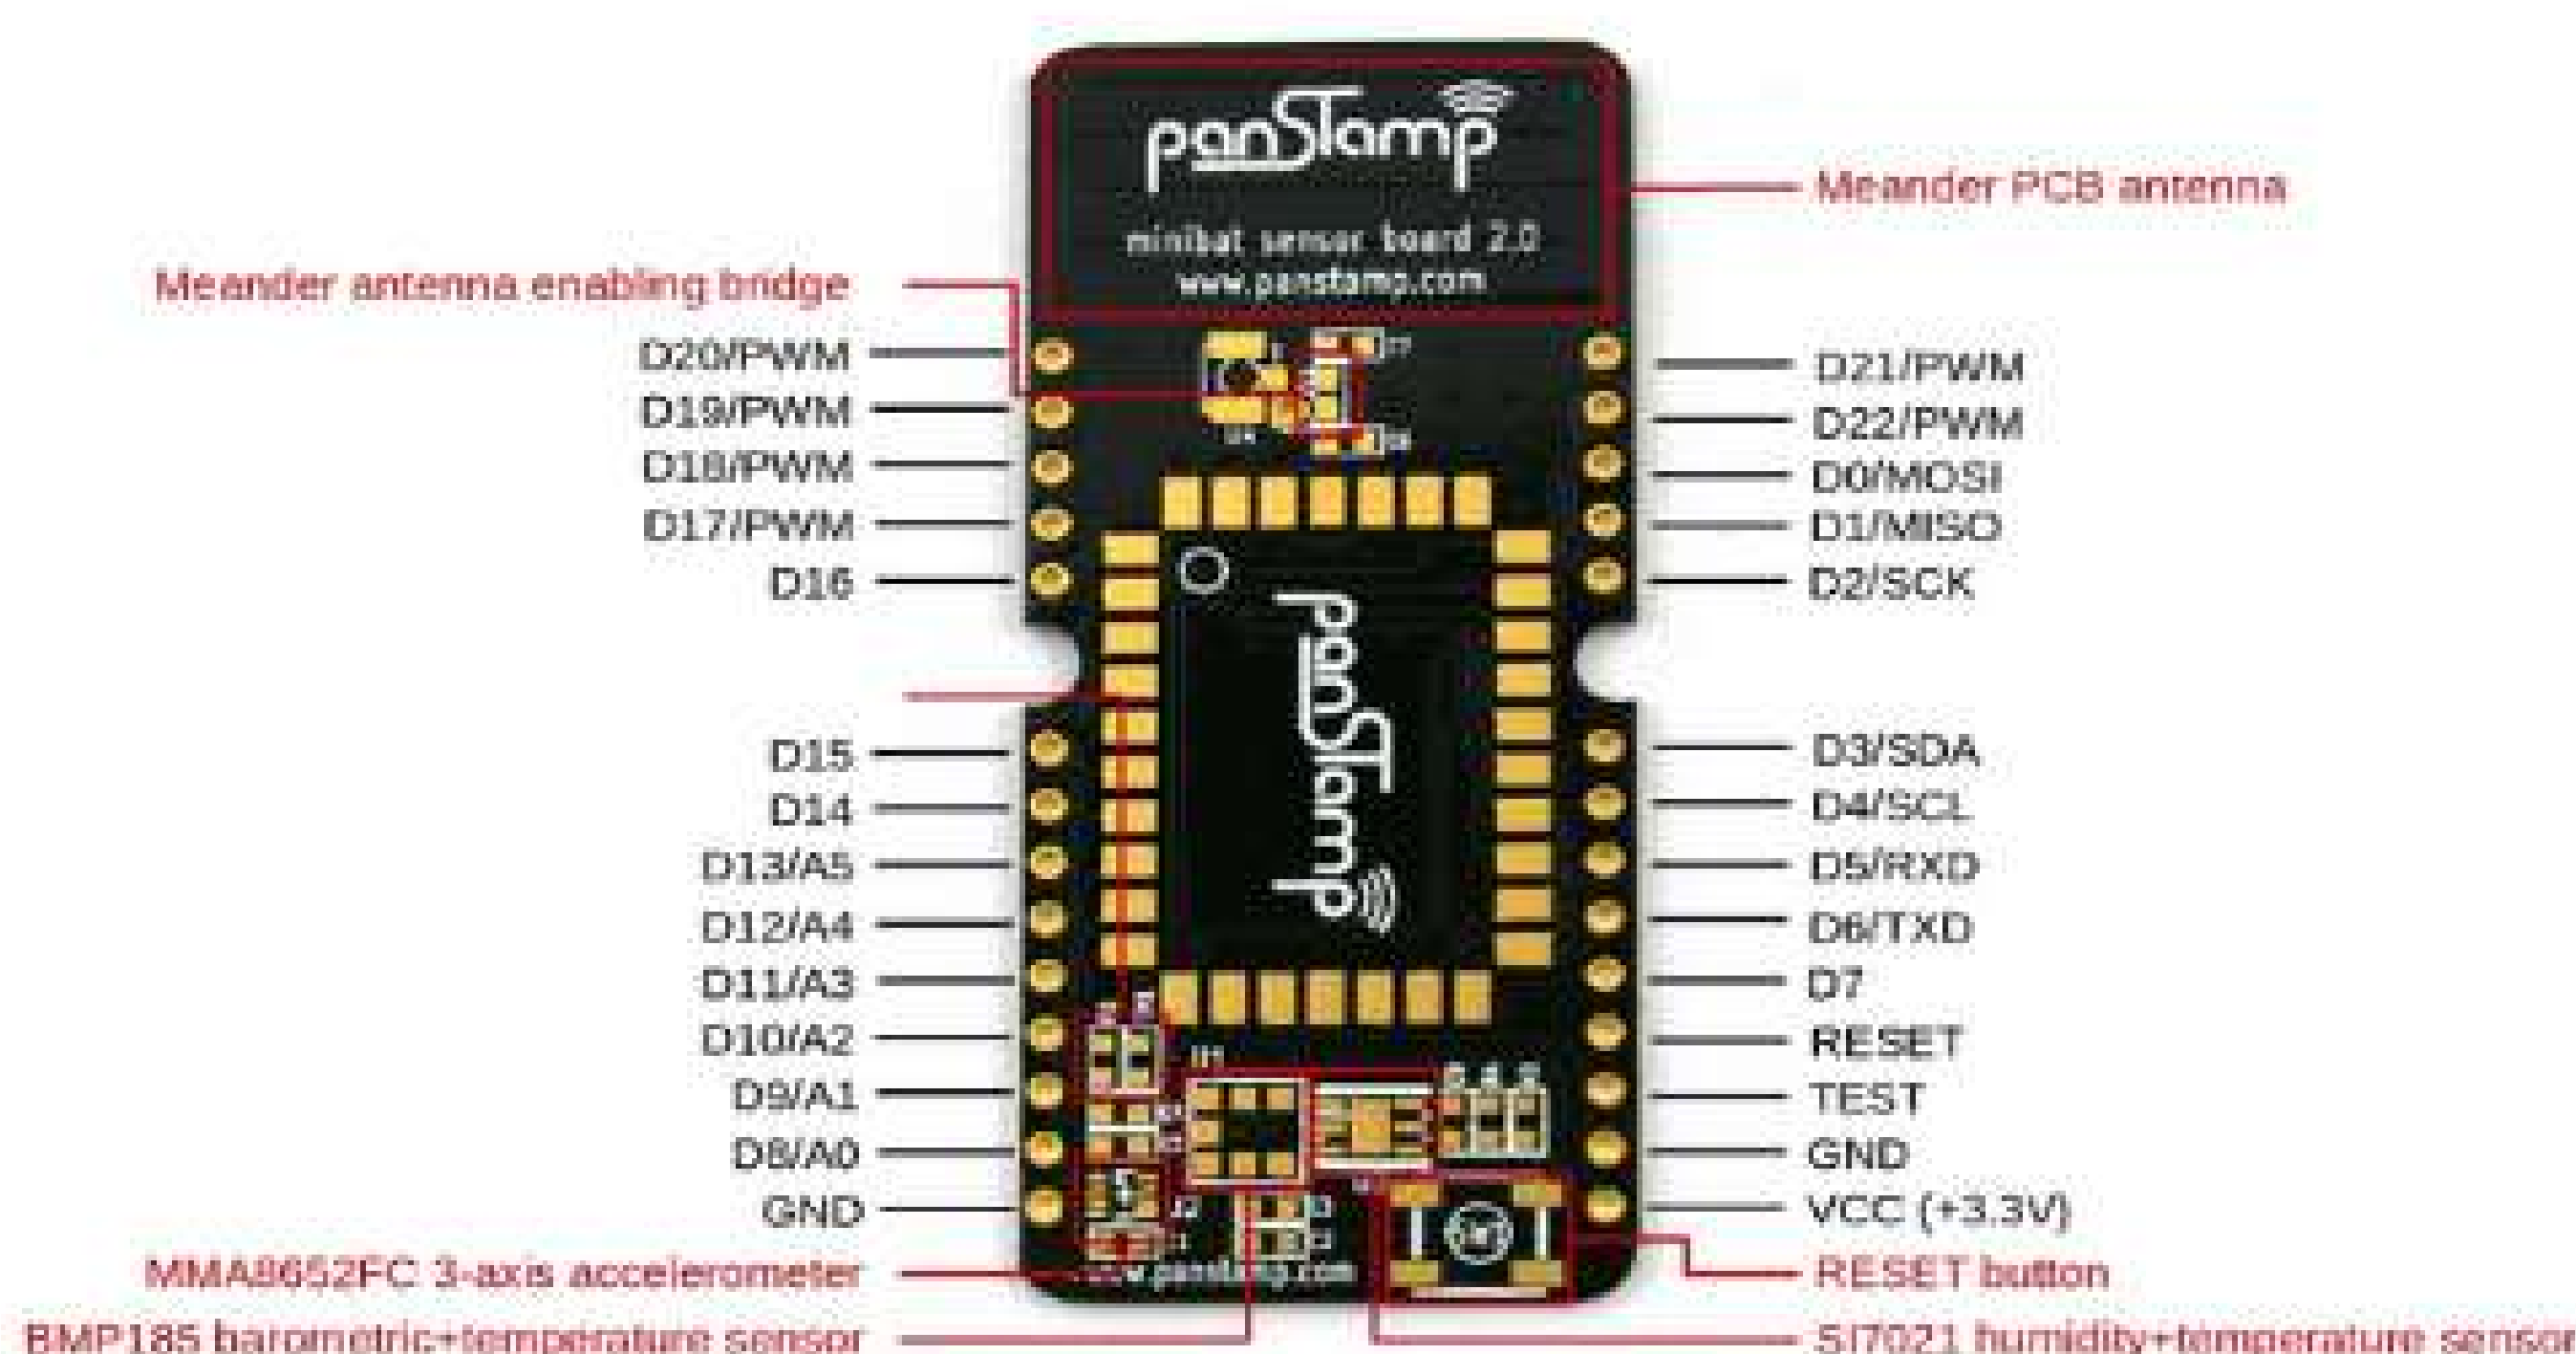

Realization of system

Sensor1					
Sensor2	Sending Data to cloud storage	Cloud Storage	Sending data to android application	Android Application
Sensor3					

Arduino Uno with SI7021

Arduino Uno with DHT11

SI7021 temperarture and humidity Sensor

panstamp Minibat 2.0

SI7021 temperarture and humidity Sensor used with panStamp Board
